

# THE TEAM

---

## PHILIP AXELROD

I am a product development professional and entrepreneur. I have a passion for building startups and bringing people together to create innovative things. I am currently applying my skills as the head of a product line in the Payer division at Availity, a healthcare technology company. I also create and teach courses in entrepreneurship at Florida Southwestern State College.

## MAX BURNS

I am a recent graduate from the University of North Florida, with a Major in Business Management and a Minor in Finance. I am also a member of Beta Gama Sigma, received my S.T.A.R. certification from UNF, and work full time as a Junior Accountant. I am member of UNF ECI and SHRM. I enjoy serving others and traveling.

## MICHELLE BURRIS

I am a senior at Jacksonville University and majoring in Computer Science. I am in NROTC and commissioning as an officer in the Marines this Spring. I am passionate about serving others and improving the community. In my free time, I like to read, travel, and explore.

## TRE GREGORY

I am a sophomore at the University of North Florida. I am majoring in Business Management and minoring in Entrepreneurship. I am currently the president of the UNF ECI club (Entrepreneurs, Creators, and Innovators). I also have a passion investing, innovation, and startups.

## ADRIAN SANTOS

I am a Computer Science student (Junior) at University of North Florida (UNF). I am also serving as the president of UNF Association in Computing Machinery (ACM) and UNF Institute of Electrical and Electronics Engineers - Computer Science (IEEE-CS). I build websites and apps on the side.
